JACKSON WILL ENTER THE RACE

Ten Entries for Ten-Mile Race
—All Known Except Fifth
Cavalryman.

Nigel Jackson, the Marathon champion of Hawaii, will enter the ten-mile race at the Athletic Park on the afternoon of Saturday, September 11. This good news came in the shape of a signed communication from the Marathon kid last night.

Nige makes a pretty good noise. He says in part: "I have decided to enter the ten-mile race against all the crack runners who are boasting so much that they can do over that distance. So I will not say much but get down to steady training and will be there when the starting gun fires."

The decision of Jackson will certainly add interest to the race. He has demonstrated that he can hand it to the whole bunch over a very long distance and there are those who believe that he can do the same thing over the ten-mile route round a track.

There are now ten entries for the race and every one of them is a crack. Not a single name but has some athletic honors hanging from it and the man up a tree trying to get a look at the race without paying admission, would have a hard time to pick a winner. (Man up a tree is Greek for the press box.)

C. K. Charlie, J. McCandless, Abe Norton, Joe Macedo, Tsukamoto, E. E. Taylor, Downey, Dal Fahy, George Addison and Nigel Jackson.

That sure looks like a fine bunch of runners. McCandless and Norton have not tried out in any public events but, they are both such good athletes that one cannot but feel certain that both of them will be well up in the running. McCandless is a brilliant athlete. He shines at every line he takes up and there may be no reason to suppose that he has not the staying qualities necessary to bring him in first. Abe Norton is notably a stayer and should be able to hand it to some of the bunch on the track.

Tsukamoto has made good running downhill for ten miles. The question is whether he can do the same thing running round a track. He will have to look out for Jackson's carefully trained stride and C. K. Charlie's dinky little pitter-patter.

Taylor is a Fifth Cavalryman and is an entirely unknown quantity. The boys at Schofield barracks say that he is the goods and they ought to know. Dal Fahy has been rusticated for some time. He has done nothing but tramp over the hills and take in plenty of sunshine and ozone and he looks very fit. He is a trifle fat for a man of his usually attenuated proportions, but this is a good sign and shows what excellent health he is in. With more than a week left to train in Dal should be able to deliver at least one of the three packages.

Sport Notes

The Chinese Minor club will hold a meeting and election of officers at the residence of Mr. Chang Hui on Sunday morning at 11 o'clock. The officers of the league are very anxious to have a full attendance. After the meeting a game will be played on the oil tank grounds.

There will be a meeting of the Goldsmith league at the offices of A. L. C. Atkinson this evening at 7:30. As this is the last meeting before the opening of the series on September 12, it is expected that all members will attend.

The Boers will play the Amateurs at the big league grounds next Saturday afternoon. Sergeant Barry states that he has a bunch of Kokua Kids that can hand it to the wildest aggregation of Boers that ever roamed the veldt. Oom Paul says "Ha ha."

The Kams and Sparklers will scrap it out at the big league grounds on Saturday. If the Kams play anything like the same game they did last Saturday, the Fernandez jewels will have to look out for themselves.

Sparklers vs. Saints at the Athletic park next Monday. What ho. The management of the park has let a special contract to the water wagon man to keep the dust from flying.

McHenry will probably umpire the games at the Athletic park next Monday.

Dragonlets and Marines, Boers and Japs next Sunday at the Athletic park. If the Japs win they still have a slim chance at the championship of the first series. But the Boers will have to lose the tie game with the Half-Wets to make this possible.

KNOCK ON J. A. C. IS UNSIGNED

When people want to send communications to the sporting department of this paper they should sign their names. If they do not want their names mentioned, this wish will in all cases be respected. No notice would have been taken of the following communication had it not aroused some latent sense of humor in this office. If the senders had had the decency to sign their names the composition would have been corrected but, for the benefit of the fans, it is reproduced as per.

"Kindly answer this few question. First, How many teams compose in the Oahu baseball league? Second, What nationality team that played against the Chinese Athletic club Sunday last? Third, Do the Japanese baseball team playing in the Oahu league with they own nationality players? Yours truly Fans."

The above three questions are very easily answered. There are four teams in the Oahu baseball league. The Kahoiki A. C., U. S. Marine Corps, J. A. C. and C. A. C. They are known in slang terms as the Boers, Half-wets, Japs and Dragonlets.

The nationality of the team that played for the Japs last Sunday is indeterminate. The players were polylot as are all the teams here, except the C. A. C.

The J. A. C. makes no pretense whatever of playing only Japanese. They never have made any pretense of that kind. They have the name only as a name, although they always give Japs the preference if they make good. In the first place Jack Noley has been manager of the team for a long time. He is not Japanese by any means; he is British-Hawaiian. He gets the best players he can and coaches them a whole lot better than many of the other managers. The J. A. C. is putting up a rattling good game of ball and insinuations like the above will do them just as much harm as the usual paltry knock does. "Fans" you are on the wrong foot. Change step.

Sports and Some Jingles

By Jack Densham.

Handball, baseball all along the line,
Every kind of game you name,
They are the makai fine.
We have not seen them out just yet
But we'll have a bunch of cheers
For the first appearance of the boys—
Those castled Engineers.

The Artillery boys have made a fine showing in baseball but they lacked coaching. Honestly it was pitiable last Saturday to see the way that they allowed the mere Amateurs to keep out the runs for lack of a man with a live voice in the third-base box. Lorrin Andrews and myself shed so many salt tears over it that Charlie Falk came up and said that if we did not stop raining into the dressing rooms he would have us fired out.

But the Engineers are reaching that sassy stage which makes a noise like doing something. They have it in for the Artillery about as hard as the Saints have it in for the Sparklers. Very shortly and very soon there shall be a great game, probably at the Athletic park, where rooting rooters go. Then Dynamite and other kinds of "It" will be spread all over the diamond.

There are many kinds of Islands. That dot the whole world o'er;
There are those that have a rocky coast
And some a sandy shore.
But of all the grand horizons
That rise from out the brine
There's one good place where sportsmen live—
That Maui coast for mine.

Their women are superb.
And hospitality right there
Denies a proper verb.
They make you welcome like a Prince,
I can not quite define
Just how they do it, but oh, my—
That Maui Coast for mine.

And talking about Maui, have you taken proper notice of the live noise that Dickey Davis and company are making with regard to racing? They have the right dope and there will be something doing next Fourth of July. Easy to reach, short journey for horse and man alike. An excellent steamer service at all times and people that are out for the sport and not for the graft, we should boost that race meeting on Maui next year. Echo arrives from several local sportsmen including Prince Cupid and Bill Woods, "Thou shouldst boost."

While the polo fever is on a suggestion comes to me from a would-be writer. He has a brother who is a good rider, he is a good rider himself and he figures out that I might be admitted without a club to ride off. He wants to arrange with the Oahu team to borrow ponies and have some kind of an inter-foo-foo game with scribes on one side and real writers on the other. But then he gets all kinds of ideas. Eh! What!

FAST TENNIS WAS PLAYED

Yesterday's Tennis Results.

Gentlemen's Doubles. Noel Deerr and George Waterhouse beat L. E. Conness and Major Long, 6-0, 6-4. Greenfield and McKeever beat Steere and Hemenway, 6-4, 2-6, 6-3. Brewster and Hoogs beat Richards, father and son, 6-3, 1-6, 6-3. Sonny Cunha and Gee beat Low and Anderson, 7-5, 6-3.

Today's Play.

Play will start today promptly at 4 o'clock. All players are requested to be there on time. The finals in the Ladies' singles will be played between Mrs. Hind and Miss Hall.

In the gentlemen's doubles, Will Roth and Wm. Williamson will play Waterhouse and Deerr. Cunha and Gee will play Brewster and Hoogs and the winner of the Roth-Williamson vs. Waterhouse-Deerr match will play Greenfield and McKeever.

As can be seen from the above resume of the games yesterday, with the exception of the first match every one was close and exciting. Throughout the tennis played was of a first-class order and makes it certain that today's program will be something not to be missed.

The feature of today's events will be the Ladies' finals in which Mrs. Hind has her last chance against Miss Hall. The latter is recognized as one of the foremost experts of the mainland and if Mrs. Hind can lower her opponent's colors, she will have achieved a very notable feat.

The feature of the gentlemen's doubles will be the reappearance of Will Roth with Williamson for a partner. Cunha and Gee seem to be a pretty strong aggregation and, should they reach the finals with Roth and Williamson we may look for a very exciting finish.

Country Club Notes

James Dublin Donahue Dougherty has the program nearly fixed for the Country Club doings next Saturday night. J. D. D. D. himself will sing those popular ballads entitled, "Have You Paid the Doctor's Bill?" and "Some Wet Saturday Afternoon Just Telephone to Me, I'll Be Around."

Scotty Fenwick will perform. He will warble those touching ditties "Gin Ah Hed a Bawbee I'd ea' Ma'sel' Carnegie" and "Joe McGraw Had a Bottle But I Hae a Cellar."

Jamie Wilder is scheduled to sing two famous songs. "The Tuppenny Tube is a Fine Old Tube, but the Old Paint Tube for Mine" and "I Used to Climb to an Atelier but now I Climb the Mountains."

Henry Clark will baritone, H. F. Wichman will tenor and Carlos Caceres will pianissimo.

Sonny Cunha hopes to quintet. He states that he is four sides of a quintet and that his playing is the fifth. In toto, fully.

Large chowder of the stick-to-your-ribs variety. Turkey, ham, lamb, tongue, salad, spudatoes, celery and lots of other things for the chowder.

Clarence Waterman will produce his fifty-six Limericks. He has a prearranged quartet to sing them. He also has a guard of honor to prevent that quartet from being lynched. It will have to be a large guard.
